HOTEL NIWA TOKYO

Hotel Niwa Tokyo 15th Anniversary Celebration

Hotel Niwa Tokyo" was opened on May 18, 2009. The hotel was born with the idea of creating a hotel that is neither a conventional business hotel nor a city hotel, but a hotel unlike any other, and thanks to the support of our many guests, we are now celebrating our 15th anniversary. We hope to continue to be like a garden that is close to everyone's heart. We will continue to offer a variety of events and services throughout the year to express our gratitude. Please lookforward to them.
